Treasurer report was provided by AB and was reviewed and approved by quorum.

- Membership is up.
- Chicken dinner ticket sales are up, currently over 85 tickets sold. Need volunteers to prep for dinner.
- Electric bill has increased more than expected. We need to start putting money aside to replace aerator.

Old Business

- Water temperature has increased, killing several trout.
- Unable to have extra stocking due to increased water temperature. The new trout would not acclimate and survive.
- The extra stocking will happen in the fall, once water temperatures allow.
- Discussion was had to review current catch and release rule for 2021/2022 season. At this time, no rules will be changed. There is NO catch and release.
- Corporate signs have been posted. We have had several inquiries from interested businesses. We are still in need of corporate sponsors.
- Date of Saturday, October 9, has been chosen for Corn Hole/Pig Roast. Planning meeting to be held next week or following week.

New Business

- Discussion held regarding participation in Oley Fair. Not to recruit members, but TT thinks great exposure. Will find out cost.
- First Annual Member Picnic will be held Saturday, August 21, 4-8pm. BJCC will provide hotdogs, drinks, and smores. Members to bring covered dish. Great chance to meet other members and possibly make a new friend.
- Mower is still out of commission. Waiting to hear from Bower's to see outcome.
- TT will send out separate email asking members for Sponsor recommendations.
