- Stocking will be done for Night fish.
- The extra stocking will happen in the fall, after night fish.
- BJCC First Annual Summer Picnic to be held August 21, 4-8pm. Hot dogs, hamburgers, Smores, and drinks have been donated. Members can bring covered dish. Hoping for a good turn out.
- Tim is still working with Bower's regarding our broken tractor.
- Scott Thomas stated the old mower MAY be fixed. He is going to try to cut with it in the next few days. If so, he will bring back to club so we can use it to mow.
- We need to put some money aside to possibly purchase a new mower.
- Chicken dinner was a HUGE success. We sold a record 165 dinners and made a profit of \$945.00. A full recap is attached to the Treasurer's Report.
- Next Chicken dinner will be held September 25, same as Night fish. Tickets will be sold for Chicken OR Pulled Pork Platter. Cost of chicken is up. Michael Snyder suggested putting flyers and possible tickets in local businesses. Jeff Cronrath will ask Boyer's Store.
- Corn Hole planning meeting is August 25, 7pm, Concession stand. We need more people to help plan this event. We are short on time and much needs to be done.
- Corporate sponsorship is going well. AB and TT have had several calls from interested parties.
- Discussion held regarding lowering sponsor cost after first year (and sign purchase). Will discuss more next meeting.
